Mr. Scott Strickland
305 S. 16th Street
San Jose, CA 95112

Dear Mr. Strickland:

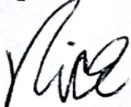

I am writing to confirm an invitation which I extended to you by phone last week to appear at a candidate's forum event on Sunday, May 13 at a meeting of High Tech Gays. As you may know, High Tech Gays is one of the Bay Area's largest and most active organizations of gays and lesbians (over 700 members). Most of us are professional people who are aware and concerned about the political and social environment of San Jose.

The upcoming San Jose City elections are of special interest to us and so High Tech Gays is sponsoring a candidate's forum for candidates running in San Jose City Council District 3. The outgoing office holder, Susan Hammer, has long been a friend to HTG and to the gay and lesbian community as well. We are therefore anxious to meet and share our concerns with her successor.

As a candidate running for the District 3 seat you are, of course, included in our invitation to meet and talk to High Tech Gays at our meeting on Sunday evening May 13 at the Billy DeFrank Center, 1040 Park Avenue, San Jose. Each candidate will be given 5-10 minutes to address the meeting on relevant issues and concerns, and then the meeting will be opened for questions from the floor. You may hand out literature and solicit support, but HTG does not endorse nor contribute money to individual candidates. A potluck supper will begin at 6:30pm and the forum program at 7:45pm; feel free to join us for the light supper. We typically get 150+ attendees at our meetings and a large number of them live and vote in your District.

Please call me to confirm your availability for May 13 or to allow me to answer any questions you may have, at (408) 255-6128 (eves) or (408) 943-0636 (days) or in writing to our address above.

Very truly yours,

Rick Rudy
President, HTG
